**Go ye therefore, and teach all nations,
baptizing them in the name of the Father,
and of the Son, and of the Holy Ghost.
Matthew 28:19**

Brief Background:

- Aracelli and Matthew Cullipher have taken on the task of overseeing a foreign missions project in collaboration with Word of Life Assembly of God. They have decided to call their project "Shekinah Gloria Ministries".
- It all began with an overwhelmed pastor, Flor de Maria Linares Grandez, in Trujillo, Peru whom was burdened with the huge task of literally transforming the small village of La Carbonera.
- Our wonderful pastor, Reverend Randy Czyz, along with the gracious congregants of Word of Life Assembly of God have decided to take up the task of funding a building and education project to be organized and accomplished through Pastor Flor de Maria Linares Grandez of Victoria en Peniel A/G, and Pastor Julio Cruzado who is the advisor to this and various other church projects in the Trujillo region of Peru.

News Update:

- First and foremost we would like to say thank you on behalf of Victoria en Peniel Asamblea De Dios in Trujillo, Peru. It is because of your support that we now have 12 full time students attending their first year of elementary school! There are currently various other children waiting to enroll.
- So far \$831.00 have come in toward the sponsorship, and to cover various physical needs for the children of the church and school. Many of you have been faithfully giving your \$10.00 monthly sponsorship, and some of you have given one-time gifts as well. We have even received a gift for the pastor from one individual. Thank you for your generosity!
- We had a bit of a glitch in the distribution of the funds thus far, and there have been some delays in the process, but praise be to God that all of the funds that have been donated toward the children/sponsorship up to July 1, 2005 have been released to the church.

Reminders:

- The last Sunday of each month is the deadline for the sponsorship money for the month, so please remember to give your offering before the end of the month. If you have not been doing so, please begin your donations for July/August.
- Please properly mark your envelopes when you give your offering towards gifts or sponsorship. You can either indicate: your child's name, "Peru children food", "Peru children clothes", "children Peru", "Peru", "Peru building", "Peru pastor", etc... But please be aware that Trudy Bisson and our trustees have their hands full with this project and any extra effort on our part will greatly reduce their burden.

Prayer Requests:

- Thus far, a total of \$3,512.75 has been given toward the building project. This is essential, not just for the church and its ministries; but for the children- as a major portion of the building project will be for the school classrooms that they will soon occupy. Currently they hold school in the church Sanctuary, or outdoors. Their Sunday School of approximately 45 children is typically held outdoors, even though it is currently winter in Trujillo. We need approximately \$2,000.00 more to finish the project, please pray that the funds will continue to come in.
- There are many more children that are in need of an education in La Carbonera. Many parents have been waiting to see the funds come in before they decide to enroll their children in the school. Please pray that each child who wants an education would be able to receive one.
- The Pastor, Flor de Maria Linares Grandez, has been under severe attack in the midst of this project. She fell very ill, but currently is doing better. She is also suffering from the effects of high blood pressure problems. She has even run into "murmuring" from some naysayers who would try to convince the people of La Carbonera that help is not indeed on the way. Please pray that The Lord would send workers to this project, that the funds would continue to come in, and that He would continually fill Pastor Grandez with His Spirit and anointing.
