SHEKINAH GLORIA MINISTRIES

“CHANGING LIVES, ONE PERSON AT A TIME”

**Go ye therefore, and teach all nations,
baptizing them in the name of the Father,
and of the Son, and of the Holy Ghost.**

Matthew 28:19

Spring is finally here, and what a perfect time to tell you about new beginnings!

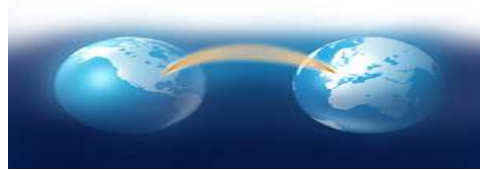

News Update:

- As the photograph on the cover page should indicate to you, the school classrooms are finished! There was a ribbon cutting ceremony in Peru, and even the A/G presbyter of the Trujillo region came out for the occasion.
- There are now 27 students attending “El Nuevo Jordan” Elementary School, and three full time teachers. We have kindergarten, first, second, and third grade. Thank you so much to all of you faithful givers, because without you this wouldn't be possible! Those of you who have given above and beyond have been helping those children who do not yet have sponsors by assuring that we can support three teachers. We pray that God will bless you abundantly for your kindness and generosity, and we know that you will have a multitude of jewels for your crown!
- We have a team of seven set to go to Peru from July 7th to the 17th. God has been opening incredible doors in Peru, and we ask that you join us in prayer for the team. Please email us at shekinahgloriaministries@yahoo.com to sign up to be a prayer sponsor.
- We are putting on a benefit concert May 20th at Word of Life Assembly of God. If you would like to help with this or other fundraisers, please contact us.

How You Can Help Us:

- With all of the incredible news, and the money that's been donated, there is still a need of \$1,000.00 to finish the project. The bathrooms are not yet finished or functional, and we need to backfill some land behind the school, as it is an unsafe walkway for the children of the elementary school. Your prayers would be well appreciated!
- We are receiving some HUGE invitations down in Peru, and we need prayer that God would prepare our team for the work at hand. We also need prayer that God would pave the way and prepare the harvest fields for the taking when we arrive in Trujillo.
- Recently we finished our website. Feel free to visit us at www.shekinahgloriaministries.com and give us your input on the new website. There are many pictures you can peruse as well on the media section of the website to see what's really going on in Peru.
- Please be in prayer for more sponsors to come on board with us. We have lost a couple of sponsors due to non-payment, and we need approximately 10 new sponsors for the new children that have begun attending the school this year.
- If you know someone who may be interested in sponsorship, prayer partnership, or a one time donation- please send them to our website, or feel free to give them our contact information.

Just For Your Information:

-We will be making a video of some of the trip highlights, and many of your sponsored children will be on the video. If you would like to request a DVD, please contact us and we will be more than happy to provide it to you after we return from Peru.

-If you currently sponsor a child/children, you will be receiving letters soon. If you would like to write to them beforehand, feel free to mail or hand deliver your letters to us.
