

OPPORTUNITIES TO MINISTER

This trip to Trujillo and Cajamarca will present some amazing opportunities. We will see 3,000 year old ruins, celebrate the Peruvian day of Independence, minister in two cities and see hundreds or even thousands of lives touched and forever changed!

This trip is a ministry trip. This means that although there will be menial tasks to accomplish the majority of our work will be focused on touching and blessing the people of Peru. Opportunities will include:

MANDATORY FOR ALL:

- We will be delivering goods to impoverished areas
- We will be praying for converts and needy at crusades/churches.
- We will be handing out invitations to come to our crusades
- We will be doing drama and/or children's work (ie: clowns)
- We will be visiting families door to door with goods & prayer

OPPORTUNITIES FOR THOSE INTERESTED:

- Singing a special for a church/outdoor crusade
- Sharing your testimony publicly (translation will be provided)
- Sharing a word with students and/or children
- Playing musical instruments as a special or accompanying the band
- Videography
- Various others depending on the ministry opportunities that open

Prayer may be done in pairs if anyone feels uncomfortable praying alone. You will not be forced to share publicly if uncomfortable. If you are uncomfortable with drama in front of large crowds or if your gifting in this area is not up to par we will find menial roles for you to participate in. Although you may not know the language everything will be well organized and translation will be available for all ministry efforts.

There will be many other unmentioned opportunities so be flexible!
